Dear U.S. citizens:

On January 24, 2012 the Department of State reissued the Worldwide Caution to update information on the continuing threat of terrorist actions and violence against U.S. citizens and interests throughout the world. U.S. citizens are reminded to maintain a high level of vigilance and to take appropriate steps to increase their security awareness. This replaces the Worldwide Caution dated July 26, 2011, to provide updated information on security threats and terrorist activities worldwide.
